A6 – New individual trustees

Enter below any new trustees or trustees who have been acting for some time but are not listed in **A5**.

The information you supply should reflect the details of the current trustees **on the day the form is completed**, rather than at the financial year end.

All of the following are required for each individual:

- Personal names (also known as first or given names).
- Family name (also known as surname).
- Date of birth
- Full address and postcode. Please note that we need the trustee's home address, rather than a work or charity address.

Please ensure we have all of the above details for each trustee. The names of any trustees with an incomplete set of details will not be recorded on the Register of Charities.

You may supply a full preferred name for each trustee, which we will display on the public register. Otherwise the displayed name will be the combination of title, personal names, family name and suffix if no alternative is given.

Dates of birth are mainly needed to confirm that individuals are legally eligible to act as a trustee but also for identification and intelligence purposes. Please note we publish only trustees' names on the Register. We do not make other personal details publicly available.

Unless a dispensation is granted, the trustees' names will appear on the Register of Charities. For information on dispensations, or if your charity has more new trustees than you can enter on this form, please call Charity Commission Direct on 0845 300 0218.

If you do not need to provide details of any new trustees, go to **A7**.

Reporting serious incidents

Incidents that cause a significant loss of funds or pose serious risks to a charity's beneficiaries, resources or reputation should always be reported to the Commission as soon as possible.

If any of the serious incidents listed below have occurred since your last return, you should notify the Commission immediately if you have not already done so. Please read the Guidance Notes first to help you decide how to respond. Then either email seriousincidentreporting@charitycommission.gsi.gov.uk or call 0845 300 0218 to inform us.

SERIOUS INCIDENTS

- Significant fraud, theft or loss of funds.
- Significant sums of money or other property donated to the charity from an unknown or unverified source.
- The charity (including individual staff or trustees or both) has any known or alleged link to a proscribed organisation (see the Guidance Notes) or to terrorist or other unlawful activities.
- A person disqualified from acting as trustee has been or is currently acting as a trustee of the charity.
- The charity does not have a policy for safeguarding its vulnerable beneficiaries (e.g. children and young people, people with disabilities and the elderly/old people).
- The charity has no vetting procedure to ensure that a trustee or member of staff is eligible to act in the position he or she is being appointed to.
- Beneficiaries have been or are suspected of being abused or mistreated.
- The charity has been subject to a criminal investigation or an investigation by another regulator or agency; or sanctions have been imposed or concerns raised by another regulator or agency (e.g. the Health and Safety Executive, Ofsted).

When you report a serious incident we will generally ask you for further details. You may not have all of these but please be prepared to provide as much relevant information as possible about the incident. We are mainly concerned about criminal or unlawful activity, or very serious incidents about a charity that may affect its funds, property, beneficiaries or reputation. Some of the incidents listed above may not actually be criminal, but do suggest risks of potential criminal activity or other risks which, if they became reality, would cause serious harm to the charity.

LEGAL OBLIGATION

Trustees must provide information about serious incidents as part of the charity's Annual Return. Failure to do so will be regarded as a breach of legal requirements.
